Dear Friends,

I would like to wish everyone a very happy and holy Easter season. And there are many reasons to have a happy Easter. Each one of us has been blessed with a multitude of gifts. But the most valuable one is that love of our God. As the Gospel says, "God so loved the world that He sent his own Son."

When we reflect on the fact that God came after us to show us how much he loves us that can be overwhelming. And to demonstrate his love, he was willing to suffer and die on the cross. All of this just for us.

The good news is that his suffering did not end in death. And our suffering does not end in death. We believe in the Resurrection. Darkness does not win...Light does.....God does!

During this Easter season, let us be especially mindful of the gifts God has given us....especially the gift of eternal life!

Happy Easter,

Fr. Keith
