Dear Friends,

For those of us blessed to witness last Monday's eclipse, what a sign of God's amazing creation of which we are a part of. I gathered with some friends and family to watch it. One of the things that really caught my attention was how light it remained even when there was the smallest part of the sun uncovered. My brother-in-law commented after it that there was a homily in that. I agree and perhaps at some point I will flesh that out in a longer form.

But for today, perhaps we can use this image and apply it to our faith and witness as Christians. Sometimes even the smallest witness of our Catholic Christian faith can provide an amazing amount of light in the world.

I am reminded of the song we used to sing as children: "This little light of mine, I'm gonna make it shine..."

Let us shine our light brightly this week!

God Bless,

"OFF THE STREETS TOLEDO"

Knights of Columbus Council 14344 is very excited to be starting our branch of OFF THE STREETS TOLEDO with a drop off point here in Oregon. We will be collecting on the last Saturday of April and every last Saturday of the month going forward from 11am till 3pm in the parking lot of St Ignatius. Off The Streets Toledo is a program dedicated to people who are in need of a second chance. The people you are helping are those who are in need of basic home essentials as many of them are moving into a permanent home after being homeless.

We are looking for donations of the following: End tables, desks, dressers, kitchen appliances, lamps, twin and single mattresses with bed frames along with cooking utensils.

We cannot accept clothes, mirrors or cribs.

If you would like to make a food donation, we currently work with other charities that we will be happy to collect for and pass along to.
